SPECIAL SONGS

ARTIST	SONG	NOTES (including time to play, all info helps!)
Mariah Carey	We belong together	Chloe absolute faves – all my girlfriends used to blast Mariah Carey back in the day.
Ying Yang Twins	Get Low	Our Song –We always request this at weddings
Fat Joe, Ja Rule, Ashanti	What's Luv	Goodie from high school days – Chloe did a music project in yr 8 & it included this song and artists – that went down well at a private school haha
Spice Girls	Wannabe & Say You'll be There	90's kid – need I say more.. dance floor
Mariah Carey, Jay Z	Heartbreaker	Great Song – Another Bertolami Family limo hit! (We get a limo for every birthday lunch). Definite dance floor hit
Jagged Edge	Let's Get Married	Bit of cliche song but we love it
2Pac	Changes	Memories of Chloe & Angharad rapping this in high school. Adam loves anything 2Pac as well
Black Eyed Peas	Shut Up	Again Anghard & Chloe fave from high school – this is our song. Play when Chloe & Angharad (maid of honour) are on dance floor.
Kanye West	Runaway	Girls Trip down south & to cairns for our 30ths. Also another limo hit for Adam & I. Play when Chloe & her mates are on dance floor.
Mr Big	To be with you	Adam & one of his groomsmen played a lot on a drunken trip to Bali before we dated & then it was a song I heard as a kid and loved so it was another we used to crank when we would get home from a boozy night (again our poor neighbours). Play when Adam & his mates are all on dance floor
T-Pain	Buy U a Drink	Chloe singing this to Adam in the car down south while she's a few wines deep & he's sober
